**UNDER SEAL**

First Superseding Criminal  
Indictment

No. 1:17-CR-0229

THE GRAND JURY CHARGES THAT:

**Count One**

Conspiracy to Commit Wire Fraud  
(18 U.S.C. § 1349)

1. Beginning in or about March 2011, and continuing to on or about at least July 17, 2012, the exact dates being unknown, in the Northern District of Georgia and elsewhere, the defendants, JARED WHEAT, JOHN BRANDON SCHOPP, and HI-TECH PHARMACEUTICALS, INC., did knowingly and willfully combine, conspire, confederate, agree, and have a tacit understanding with each other and with other persons known and unknown to the Grand Jury to devise and intend to devise a scheme and artifice to defraud, and to obtain money and property by means of materially false and fraudulent pretenses and representations, and by the omission of material facts, well knowing and having reason to know that said pretenses and representations were and would be false and fraudulent when made and caused to be made and that said omissions were and would be material, and, in so doing, causing interstate wire communications

to be made in furtherance of the scheme and artifice to defraud, in violation of Title 18, United States Code, Section 1343.

### Background

2. The United States Food and Drug Administration (“FDA”) is the federal agency charged with the responsibility of protecting the health and safety of the American public by enforcing the Federal Food, Drug, and Cosmetic Act, Title 21, United States Code, Sections 301-399f (“FDCA”). The FDA ensures, among other things, that drugs are safe and effective for their intended uses and that drugs and foods bear labeling containing true and accurate information. The FDA’s responsibilities under the FDCA include regulating the manufacturing, labeling, and distribution of all drugs and foods shipped or received in interstate commerce.

3. HI-TECH PHARMACEUTICALS, INC. (“HI-TECH”) is a company incorporated in Georgia. HI-TECH manufactures and sells purported “dietary supplements,” which are regulated as a “food” by the FDA.

4. JARED WHEAT owns and operates HI-TECH. WHEAT serves as the Chief Executive Officer, Chief Financial Officer, and Secretary for HI-TECH.

5. JOHN BRANDON SCHOPP worked as the Director of Contract Manufacturing for HI-TECH.

### Export Certificates

6. Businesses that export products from the United States are sometimes requested by foreign customers to supply “export certificates” for FDA-regulated

products. The FDA is not required by law to issue export certificates, although it does provide this service as agency resources permit.

7. Upon application by a food manufacturer, the FDA's Center for Food Safety and Nutrition ("CFSAN") will issue a "Certificate of Free Sale" for a particular food product, including a dietary supplement, indicating that the food product is marketed in the United States and eligible for export if certain statutory provisions are met.

#### Current Good Manufacturing Practice Compliance

8. Under the FDCA, a dietary supplement is deemed adulterated if it has been prepared, packed, or held under conditions that do not meet current good manufacturing practice ("GMP") regulations. Because the FDA does not "certify" that dietary supplement manufacturers comply with current GMP regulations, in some instances dietary supplement manufacturers will seek GMP audit reports and certificates from third-party independent companies or bodies. Such GMP audit reports and certificates are sought by dietary supplement manufacturers as a means to, among other things, substantiate the quality of their products. In addition, some foreign countries will not allow the importation of dietary supplements from the United States without documentation that the dietary supplement manufacturer is GMP compliant.

#### Manner and Means

9. WHEAT, SCHOPP and HI-TECH sought to enrich themselves unjustly by distributing to prospective and current customers, via email, false, fraudulent, and misleading documents and representations

regarding the regulatory compliance of HI-TECH and its products, including false, fraudulent, and misleading FDA Certificates of Free Sale, GMP certificates, and GMP audit reports.

10. WHEAT and SCHOPP caused false and fraudulent documents purporting to be FDA Certificates of Free Sale to be delivered via email to customers and prospective customers of HI-TECH. In fact, the FDA had not issued Certificates of Free Sale to HI-TECH on the dates listed for the products identified therein. The purported Certificates of Free Sale transmitted via email by WHEAT and SCHOPP contained unauthorized signatures of government officials, as well as unauthorized government agency seals, to make them appear legitimate.

11. WHEAT and SCHOPP caused false and fraudulent GMP certificates and audit reports from a purported third-party independent auditor, "PharmaTech", to be delivered via email to customers and prospective customers of HI-TECH. For example, a GMP certificate delivered via email to customer M.M. on or about July 17, 2012, contained a forged and unauthorized signature of an individual with initials G.G., who was falsely identified on the certificate as a "General Manager" for PharmaTech. In fact, G.G. never worked for PharmaTech. In addition, the email communication to customer M.M. contained a material omission in that it failed to disclose that PharmaTech was not an independent third-party auditor of HI-TECH, but was actually operated and controlled by WHEAT himself.

All in violation of Title 18, United States Code, Section 1349.

**Counts Two Through Three**

Wire Fraud

(18 U.S.C. §§ 1343 and 2)

12. The Grand Jury re-alleges and incorporates by reference the factual allegations set forth above in paragraphs 1 through 11 as if fully set forth herein.

Beginning in or about March 2011, and continuing to on or about at least July 17, 2012, the exact dates being unknown, in the Northern District of Georgia and elsewhere, the defendants, JARED WHEAT, JOHN BRANDON SCHOPP and HI-TECH PHARMACEUTICALS, INC., aided and abetted by each other and others known and unknown to the Grand Jury, knowingly devised and intended to devise a scheme and artifice to defraud, and to obtain money and property by means of materially false and fraudulent pretenses and representations, and by the omission of material facts, well knowing and having reason to know that said pretenses and representations were and would be false and fraudulent when made and caused to be made and that said omissions were and would be material.

14. On or about the dates listed below for each count, in the Northern District of Georgia and elsewhere, the defendants WHEAT, SCHOPP, and HI-TECH, aided and abetted by each other and others known and unknown to the Grand Jury, for the purpose of executing and attempting to execute the aforementioned scheme and artifice to defraud, and to obtain money and property by means of false and fraudulent pretenses and representations, and by the omission of material facts, did, with intent to defraud, cause to be transmitted by means of wire communication in interstate and foreign commerce certain

writings, signs, signals and sounds, that is, the following email communications to a customer of HI-TECH identified by initials below:

greater than \$10,000, such property having been derived from a specified unlawful activity, that is, wire fraud, in violation of 18 U.S.C. § 1343; in violation of Title 18, United States Code, Section 1957.

All in violation of Title 18, United States Code, Section 1956(h).

18. On or about the dates listed below for each count, in the Northern District of Georgia and elsewhere, the defendants, JARED WHEAT and HI-TECH PHARMACEUTICALS, INC., aided and abetted by each other and others known and unknown to the Grand Jury, did knowingly engage and attempt to engage in monetary transactions by, through or to a financial institution, affecting interstate commerce, as described below, each such transaction knowingly involving criminally derived property of a value greater than \$10,000, such property having been derived from a specified unlawful activity, that is, wire fraud, in violation of Title 18, United States Code, Section 1343, each transaction constituting a separate count as set forth below:

**Count Ten**

Conspiracy to Introduce Misbranded Drugs into Interstate Commerce  
(18 U.S.C. § 371)

19. The Grand Jury re-alleges and incorporates by reference the factual allegations set forth above in paragraphs 2 through 4 as if fully set forth herein.

20. From in or about July 2009 through at least in or about June 2014, in the Northern District of Georgia and elsewhere, the defendants, JARED WHEAT and HI-TECH PHARMACEUTICALS, INC., did knowingly and willfully combine, conspire, confederate, agree, and have a tacit understanding with each other and with other persons known and unknown to the Grand Jury, to introduce and

deliver for introduction, and cause to be introduced and delivered for introduction, into interstate commerce, with intent to defraud and mislead, a drug within the meaning of Title 21, United States Code, Section 321(g)(1)(C), that was misbranded under Title 21, United States Code, Section 352(a), in violation of Title 21, United States Code, Sections 331(a) and 333(a)(2).

**MANNER AND MEANS**

The manner and means by which the defendants and others sought to accomplish the objects of the conspiracy included:

21. WHEAT caused HI-TECH to manufacture and produce, among other things, Choleldrene, which was labeled and marketed as a dietary supplement.

22. In fact, the Choleldrene manufactured and produced by HI-TECH, at the direction of WHEAT, contained lovastatin, the active ingredient in several FDA-approved prescription drugs. Lovastatin was not listed as an ingredient on HI-TECH's labeling of Choleldrene. Due to the presence of lovastatin, Choleldrene was not a "dietary supplement" under the FDCA, and instead was a "drug" because it was an article other than food intended to affect the structure or function of the human body.

23. WHEAT caused HI-TECH to distribute and sell Choleldrene with false and misleading labeling that failed to declare lovastatin as an ingredient.

OVERT ACTS

In furtherance of the conspiracy and to affect the objects thereof, the following overt acts, among others, were committed in the Northern District of Georgia and elsewhere, by at least one co-conspirator:

24. On or about September 17, 2009, WHEAT caused HI-TECH to distribute approximately 24 bottles of Choleldrene to a customer in North Carolina.

25. On or about December 1, 2009, WHEAT caused HI-TECH to distribute approximately 36 bottles of Choleldrene to a customer in Florida.

26. On or about December 6, 2010, WHEAT caused HI-TECH to distribute approximately 12 bottles of Choleldrene to a customer in California.

27. On or about January 31, 2011, WHEAT caused HI-TECH to distribute approximately 36 bottles of Choleldrene to a customer in Florida.

28. On or about September 12, 2012, WHEAT caused HI-TECH to distribute approximately 24 bottles of Choleldrene to a customer in Louisiana.

29. On or about August 22, 2013, WHEAT caused HI-TECH to distribute approximately 1 bottle of Choleldrene to a customer in Louisiana.

30. On or about November 8, 2013, WHEAT caused HI-TECH to distribute approximately 12 bottles of Choleldrene to a customer in North Carolina.

31. On or about February 27, 2014, WHEAT caused HI-TECH to distribute approximately 24 bottles of Choleldrene to a customer in Florida.

32. On or about May 22, 2014, WHEAT caused HI-TECH to distribute approximately 2 bottles of Choleldrene to a customer in North Carolina.

33. On or about June 10, 2014, WHEAT caused HI-TECH to distribute approximately 2 bottles of Choleldrene to a customer in Texas.

All in violation of Title 18, United States Code, Section 371.

(21 U.S.C. §§ 331(a) and 333(a)(2), and 18 U.S.C. § 2)

34. The Grand Jury re-alleges and incorporates by reference the factual allegations set forth above in paragraphs 2 through 4, and 20 through 23, as if fully set forth herein.

All in violation of Title 21, United States Code, Sections 331(a) and 333(a)(2), and Title 18, United States Code, Section 2.

**Count Twelve**

**Conspiracy to Manufacture and Distribute Controlled Substances

**MANNER AND MEANS**

The manner and means by which the defendants and others sought to accomplish the objects of the conspiracy included:

39. For example, WHEAT caused HI-TECH to manufacture and distribute the following purported “dietary supplement” products, all of which contained Schedule III Controlled anabolic steroids:
