Re: United States v. Vincent Decaro  
Case No. 3:18-cr-171(SRU)

Dear Attorney Felsen This letter confirms the plea agreement between your client, Vincent Decaro (the "defendant"), and the United States Attorney's Office for the District of Connecticut (the "Government") in this criminal matter.

**THE PLEA AND OFFENSE**

In consideration for the benefits offered under this agreement, Vincent Decaro agrees to plead guilty to Count Two of the Indictment charging him with possession with intent to distribute fentanyl analogue, in violation of Title 21 United States Code Section 841(a) and 841(b)(1)(A)(vi).

The defendant understands that, to be guilty of the offense charged in Count Two of the Indictment, the following essential elements must be satisfied:

1. On or about April 3, 2018, the defendant possessed a controlled substance, *i.e.*, fentanyl analogue;
2. That the defendant knew he possessed the controlled substance; and
3. That the defendant intended to distribute the controlled substance.

Page 2

## THE PENALTIES

### Imprisonment

Count Two carries a maximum penalty of life imprisonment and a mandatory minimum of 10 years' imprisonment.

### Supervised Release

The Court may impose a term of supervised release of at least five years and up to life to begin after any term of imprisonment on Count Two. 18 U.S.C. § 3583.

The defendant understands that, should he violate any condition of supervised release, he may be required to serve a further term of imprisonment of up to two years per violation pursuant to 18 U.S.C. § 3583 with no credit for time already spent on supervised release.

### Fine

Count Two carries a maximum fine of \$10,000,000.

The defendant is also subject to the alternative fine provision of 18 U.S.C. § 3571. Under this section, the maximum fine that may be imposed on the defendant is the greatest of the following amounts: (1) twice the gross gain to the defendant resulting from the offense; (2) twice the gross loss resulting from the offense; or (3) \$10,000,000 (Count Two).

### Special Assessment

In addition, the defendant is obligated by 18 U.S.C. § 3013 to pay a special assessment of \$100 on each count of conviction. The defendant agrees to pay the special assessment on or before the date of sentencing unless he establishes an inability to pay on or before the date of sentencing through the financial disclosure to the U.S. Probation Office as part of the presentence investigation and report, in which case the defendant agrees to pay it as soon as practicable.

### Interest, penalties and fines

Unless otherwise ordered, should the Court impose a fine or restitution of more than \$2,500 as part of the sentence, interest will be charged on the unpaid balance of the fine or restitution not paid within 15 days after the judgment date. 18 U.S.C. § 3612(f). Other penalties and fines may be assessed on the unpaid balance of a fine or restitution pursuant to 18 U.S.C. § 3572(h), (i) and § 3612(g). The defendant reserves the right to argue that there should be no fines, penalties or interest in this case.

Page 3

### Forfeiture

Pursuant to 21 U.S.C. § 853(a), the defendant agrees to forfeit to the United States his interest in the following property: 4.93900245 Bitcoin (BTC), 3.187604 Bitcoin (BTC) and 9.08503154 Bitcoin cash (BCH).

The defendant acknowledges that the property described above is forfeitable as property that represents the proceeds of, or was used to facilitate the commission of, the narcotics violation in Count Two of the Indictment. The defendant agrees to waive all interests in this asset in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. The defendant agrees to consent to the entry of an order of forfeiture for the forfeitable asset and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. The defendant acknowledges that he understands that the forfeiture of asset is part of the sentence that may be imposed in this case and waives any failure by the Court to advise him of this, pursuant to Federal Rule of Criminal Procedure 11(b)(1)(J), at the time his guilty plea is accepted.

The defendant agrees to hold the United States, its agents and employees harmless from any claims whatsoever in connection with the seizure or forfeiture of the above listed asset covered by this agreement. The defendant further agrees to waive all constitutional and statutory challenges in any manner to any forfeiture carried out in accordance with this plea agreement on any grounds. The defendant also understands and agrees that by virtue of his plea of guilty he waives any rights or cause of action to claim that he is a “substantially prevailing party” for the purpose of recovery of attorney fees and other litigation costs in any related forfeiture proceeding pursuant to 28 U.S.C. § 2465(b)(1).

## **THE SENTENCING GUIDELINES**

### Applicability

The defendant understands that the Court is required to consider any applicable Sentencing Guidelines as well as other factors enumerated in 18 U.S.C. § 3553(a) to tailor an appropriate sentence in this case and is not bound by this plea agreement. The defendant agrees that the Sentencing Guideline determinations will be made by the Court, by a preponderance of the evidence, based upon input from the defendant, the Government, and the United States Probation Office. The defendant further understands that he has no right to withdraw his guilty plea if his sentence or the Guideline application is other than he anticipated, including if the sentence is outside any of the ranges set forth in this agreement.

### Acceptance of Responsibility

At this time, the Government agrees to recommend that the Court reduce by two levels the defendant’s adjusted offense level under § 3E1.1(a) of the Sentencing Guidelines, based on the defendant’s prompt recognition and affirmative acceptance of personal responsibility for the

Page 4

offense. Moreover, should the defendant qualify for a decrease under § 3E1.1(a) and his offense level determined prior to the operation of subsection (a) is level 16 or greater, the Government will file a motion with the Court pursuant to § 3E1.1(b) which recommends that the Court reduce the defendant's Adjusted Offense Level by one additional level based on his prompt notification of his intention to enter a plea of guilty. The defendant understands that the Court is not obligated to accept the Government's recommendations on the reductions.

The above-listed recommendations are conditioned upon the defendant's affirmative demonstration of acceptance of responsibility, by (1) truthfully admitting the conduct comprising the offense(s) of conviction and truthfully admitting or not falsely denying any additional relevant conduct for which the defendant is accountable under § 1B1.3 of the Sentencing Guidelines, and (2) disclosing to the United States Attorney's Office and the United States Probation Office a complete and truthful financial statement detailing the defendant's financial condition. The defendant expressly authorizes the United States Attorney's Office to obtain a credit report concerning the defendant.

In addition, the Government expressly reserves the right to seek denial of the adjustment for acceptance of responsibility if the defendant engages in any acts, unknown to the Government at the time of the signing of this agreement, which (1) indicate that the defendant has not terminated or withdrawn from criminal conduct or associations (§ 3E1.1 of the Sentencing Guidelines); (2) could provide a basis for an adjustment for obstructing or impeding the administration of justice (§ 3C1.1 of the Sentencing Guidelines); or (3) constitute a violation of any condition of release. Moreover, the Government reserves the right to seek denial of the adjustment for acceptance of responsibility if the defendant seeks to withdraw his guilty plea or takes a position at sentencing, or otherwise, which, in the Government's assessment, is inconsistent with affirmative acceptance of personal responsibility. The defendant understands that he may not withdraw his plea of guilty if, for the reasons explained above, the Government does not make one or both of the recommendations or seeks denial of the adjustment for acceptance of responsibility.

#### Determination of Quantity

The parties agree, acknowledge and stipulate at least 300 grams but less than 1 kilogram of fentanyl analogue represents defendant's offense conduct, including his relevant and readily foreseeable conduct, concerning his possession with intent to distribute, and distribution of, fentanyl analogues during the period charged in the Indictment. The defendant waives any right to a jury trial on the issue of the quantity of controlled substances that represent his relevant and readily foreseeable conduct. Provided that the Court uses that quantity in making a determination under the Guidelines, the defendant also waives any right to a sentencing hearing on the issue of the quantity of controlled substances to be considered by the Court.

#### Guideline Stipulation

The parties agree as follows:

Page 5

The Guidelines Manual in effect on the date of sentencing is used to determine the applicable Guidelines range.

The Government and the defendant agree that the defendant's base offense level is 32, pursuant to U.S.S.G. § 2D1.1(c)(4), because, as noted above, the parties have stipulated that the quantity of fentanyl analogue in his offense which includes defendant's relevant and readily foreseeable conduct was at least 300 grams but less than 1 kilogram. The parties agree that three levels should be subtracted under U.S.S.G. § 3E1.1 for acceptance of responsibility, as noted above, resulting in a total offense level under Chapter Two of the Sentencing Guidelines of 29.

Based on an initial assessment, the parties agree that the defendant falls within Criminal History Category I. The parties reserve the right to recalculate the defendant's Criminal History Category and corresponding sentencing ranges if this initial assessment proves inaccurate.

A total offense level 29, assuming a Criminal History Category I results in a range of 87 to 108 months of imprisonment, which because of the applicable mandatory minimum sentence effectively becomes 120 months of imprisonment and a fine range of \$30,000 to \$10,000,000. See U.S.S.G. § 5E1.2(c)(3) and (h)(1). Both parties reserve their respective rights to argue for sentences above or below the ranges set forth in this agreement, and, in particular, to suggest grounds for downward or upward departure or variances.

Further, the parties agree that the defendant meets the criteria delineated in Title 18, United States Code, § 3553(f)(1)-(5) and U.S.S.G. § 5C1.2, the so-called "safety valve," and therefore no mandatory minimum is applicable in this case. Accordingly, the Government agrees that it will not oppose an additional two-point Guideline reduction, bringing the defendant's adjusted offense level to 27 which, in Criminal History Category I, carries a range of imprisonment of 70 to 87 months of imprisonment and a fine range of \$25,000 to \$10,000,000. U.S.S.G. § 5E1.2(c)(3).

The defendant understands that the Court is not bound by this agreement on the Guideline ranges specified above. The defendant further understands that he will not be permitted to withdraw the guilty plea if the Court imposes a sentence outside any of the ranges set forth in this agreement.

In the event the United States Probation Office or the Court contemplates any sentencing calculations different from those stipulated by the parties, the parties reserve the right to respond to any inquiries and make appropriate legal arguments regarding the proposed alternate calculations. Moreover, the parties reserve the right to defend any sentencing determination, even if it differs from that stipulated by the parties, in any post-sentencing proceeding.

#### Information to the Court

The Government reserves its right to address the Court with respect to an appropriate sentence to be imposed in this case. Moreover, the Government will discuss the facts of this case, including information regarding the defendant's background and character, 18 U.S.C.

Page 6

§ 3661, with the United States Probation Office and will provide the Probation Officer with access to material in its file, with the exception of grand jury material.

### **WAIVER OF RIGHTS**

The defendant acknowledges and agrees that he is knowingly, intelligently, and voluntarily waiving the following rights:

#### **Waiver of Trial Rights and Consequences of Guilty Plea**

The defendant understands that he has the right to be represented by an attorney at every stage of the proceeding and, if necessary, one will be appointed to represent him.

The defendant understands that he has the right to plead not guilty or to persist in that plea if it has already been made, the right to a public trial, the right to be tried by a jury with the assistance of counsel, the right to confront and cross-examine the witnesses against him, the right not to be compelled to incriminate himself, the right to testify and present evidence, and the right to compel the attendance of witnesses to testify in his defense. The defendant understands that by pleading guilty he waives those rights and that, if the plea of guilty is accepted by the Court, there will not be a further trial of any kind.

The defendant understands that, if he pleads guilty, the Court may ask him questions about each offense to which he pleads guilty, and if he answers those questions falsely under oath, on the record, and in the presence of counsel, his answers may later be used against him in a prosecution for perjury or making false statements.

#### **Waiver of Statute of Limitations**

The defendant agrees that, should the conviction following defendant's guilty plea be vacated for any reason, then any prosecution that is not time-barred by the applicable statute of limitations on the date of the signing of this plea agreement (including any indictment or counts the Government has agreed to dismiss at sentencing pursuant to this plea agreement) may be commenced or reinstated against the defendant, notwithstanding the expiration of the statute of limitations between the signing of this plea agreement and the commencement or reinstatement of such prosecution. The defendant agrees to waive all defenses based on the statute of limitations with respect to any prosecution that is not time-barred on the date the plea agreement is signed.

#### **Waiver of Right to Challenge Conviction**

The defendant acknowledges that under certain circumstances he is entitled to challenge his conviction. By pleading guilty, the defendant waives his right to appeal or collaterally attack his conviction in any proceeding, including but not limited to a motion under 28 U.S.C. § 2255 and/or § 2241. In addition to any other claims he might raise, the defendant waives his right to challenge his conviction based on (1) any non-jurisdictional defects in the proceedings before entry of this plea, (2) a claim that the statute(s) to which the defendant is pleading guilty is

Page 7

unconstitutional, and (3) a claim that the admitted conduct does not fall within the scope of the statute. This waiver does not preclude the defendant from raising a claim of ineffective assistance of counsel in an appropriate forum.

#### Waiver of Right to Appeal or Collaterally Attack Sentence

The defendant acknowledges that under certain circumstances, he is entitled to challenge his sentence. In consideration for the benefits offered under this agreement, the defendant agrees not to appeal or collaterally attack the sentence in any proceeding, including but not limited to a motion under 28 U.S.C. § 2255 and/or § 2241, if that sentence does not exceed 87 months of imprisonment, a five-year term of supervised release or less, an order of forfeiture, and a \$100 special assessment even if the Court imposes such a sentence based on an analysis different from that specified above. The Government and the defendant agree that this waiver applies regardless of whether the term of imprisonment is imposed to run consecutively to or concurrently with, in whole or in part, the undischarged portion of any other sentence that has been imposed on the defendant at the time of sentencing in this case. Furthermore, the parties agree that any challenge to the defendant's sentence that is not foreclosed by this provision will be limited to that portion of the sentencing calculation that is inconsistent with (or not addressed by) this waiver. This waiver does not preclude the defendant from raising a claim of ineffective assistance of counsel in an appropriate forum.

#### ACKNOWLEDGMENT OF GUILT AND VOLUNTARINESS OF PLEA

The defendant acknowledges that he is entering into this agreement and is pleading guilty freely and voluntarily because he is guilty. The defendant further acknowledges that he is entering into this agreement without reliance upon any discussions between the Government and him (other than those described in the plea agreement letter), without promise of benefit of any kind (other than the concessions contained in the plea agreement letter), and without threats, force, intimidation, or coercion of any kind. The defendant further acknowledges his understanding of the nature of the offense to which he is pleading guilty, including the penalties provided by law. The defendant also acknowledges his complete satisfaction with the representation and advice received from his undersigned attorney. The defendant and his undersigned counsel are unaware of any conflict of interest concerning counsel's representation of the defendant in the case.

The defendant acknowledges that he is not a "prevailing party" within the meaning of Public Law 105-119, section 617 ("the Hyde Amendment") with respect to the count of conviction or any other count or charge that may be dismissed pursuant to this agreement. The defendant voluntarily, knowingly, and intelligently waives any rights he may have to seek attorney's fees and other litigation expenses under the Hyde Amendment.

#### SCOPE OF THE AGREEMENT

The defendant acknowledges that this agreement is limited to the undersigned parties and cannot bind any other federal authority, or any state or local authority. The defendant acknowledges that no representations have been made to him with respect to any civil or

Page 8

administrative consequences that may result from this plea of guilty because such matters are solely within the province and discretion of the specific administrative or governmental entity involved. Finally, the defendant acknowledges that this agreement has been reached without regard to any civil tax matters that may be pending or which may arise involving him.

### **COLLATERAL CONSEQUENCES**

The defendant understands that he will be adjudicated guilty of each offense to which he has pleaded guilty and will be deprived of certain rights, such as the right to hold public office, to serve on a jury, to possess firearms and ammunition, and in some states, the right to vote. Further, the defendant understands that if he is not a citizen of the United States, a plea of guilty may result in removal from the United States, denial of citizenship, and denial of admission to the United States in the future. The defendant understands that pursuant to section 203(b) of the Justice For All Act, the Federal Bureau of Prisons or the United States Probation Office will collect a DNA sample from the defendant for analysis and indexing. Finally, the defendant understands that the Government reserves the right to notify any state or federal agency by which he is licensed, or with which he does business, as well as any current or future employer of the fact of his conviction.

### **SATISFACTION OF FEDERAL CRIMINAL LIABILITY; BREACH**

The defendant's guilty plea, if accepted by the Court, will satisfy the federal criminal liability of the defendant in the District of Connecticut as a result of his participation in the, offense conduct which forms the basis for the charge in the Indictment in this case.

The defendant understands that if, before sentencing, he violates any term or condition of this agreement, engages in any criminal activity, or fails to appear for sentencing, the Government may void all or part of this agreement. If the agreement is voided in whole or in part, the defendant will not be permitted to withdraw his guilty plea.

### **NO OTHER PROMISES**

The defendant acknowledges that no other promises, agreements, or conditions have been entered into other than those set forth in this plea agreement, and none will be entered into unless set forth in writing, signed by all the parties.
