STATEMENT OF PROBABLE CAUSE

I, Andrea Brandon, being duly sworn, hereby depose and state as follows:

INTRODUCTION AND BACKGROUND OF AFFIANT

1. I am a United States Postal Inspector and have been so employed since January 2006. I have completed a twelve-week basic training course in Potomac, Maryland, which included training in the investigation of narcotics trafficking via the United States Mail. I am currently assigned to the Phoenix Division Prohibited Mailings Narcotics Team (PMNT) in Arizona, which is responsible for investigating narcotic violations involving the United States Mails. Part of my training as a Postal Inspector included narcotic investigative techniques and the training in the identification and detection of controlled substances being transported in the U.S. Mail.

2. I have assisted on numerous narcotics investigations of individuals for violations of Title 21, United States Code, Sections 841(a)(1) (Possession with Intent to Distribute a Controlled Substance), 843(b) (Use of a Communication Facility to Facilitate the Distribution of a Controlled Substance), and 846 (Conspiracy to Possess with Intent to Distribute a Controlled Substance). The facts and information contained in this affidavit are based on my personal knowledge, as well as that of other Postal Inspectors and law enforcement officers involved in this investigation as described below.

I. FACTS SUPPORTING PROBABLE CAUSE

A. Background of Investigation

3. On November 30, 2018, investigators with the Narcotics and Economic Crime Investigations (NECI) Task Force in Sacramento, CA conducted an undercover purchase of 3.5 grams of heroin from dark web vendor, “Ghost831.” “Ghost831” is a vendor on the Dream Market who advertises heroin, methamphetamine, and Oxycodone-30mg (pressed) for sale. The investigators instructed “Ghost831” to send the narcotics to an undercover PO Box, which was controlled by law enforcement.

4. On December 4, 2018, the parcel related to the undercover purchase was shipped. On December 6, 2018, the parcel was delivered and opened by investigators. The parcel was identified as Priority Mail Parcel Label No. 9505 5066 7026 8338 0387 03, which was a white Priority Mail envelope with a return address listed as “WV Gift Card LLC, 1901 N. Black Canyon Hwy, Phoenix, AZ 85009.” Inside the Priority Mail envelope was a “Duck” brand bubble mailer, which contained a vacuum sealed plastic bag. The plastic bag contained a black tar-like substance, which field tested positive for heroin. The weight of the heroin and the plastic bag was approximately four grams.

5. According to postal records, Priority Mail Parcel Label No. 9505 5066 7026 8338 0387 03 was mailed from a U.S. Postal Service Self-Service Kiosk (SSK) at the Glendale Arrowhead Post Office, located at 19801 N. 59th Ave., Glendale, AZ 85308. The transaction occurred on December 4, 2018 at approximately 11:37 a.m. The method of payment was determined to be a Visa credit/debit card ending in 8226.

6. Postal Inspectors obtained surveillance images from the SSK for the transaction. The images showed the mailer to be a Hispanic male with a beard and goatee, approximately 20-30 years old, wearing a black hat, and a dark colored shirt.

7. The Visa card ending in 8226 was determined to be a pre-paid Visa Bancorp Bank card. A search of Visa card ending in 8226 was conducted in postal databases, which revealed the card was used for 11 other mailings.

8. Analysts researched the 11 mailings and discovered four of those mailings were conducted on December 3, 2018, at the SSK at the Glendale Arrowhead Post Office. Postal Inspectors obtained the SSK surveillance images for those transactions and identified the mailer as being a Hispanic female, approximately 20-30 years old, possibly pregnant, wearing dark-rimmed eye glasses, long dark hair, and wearing a dark colored t-shirt. She also had a young girl with her who appeared to be approximately 8-10 years old.

B. Cyber Crime Unit Analysis of “Ghost831”

9. Postal Inspectors sent a request to the U.S. Postal Inspection Service (USPIS) Cyber Crime Unit for an analysis of “Ghost831.” Historical USPIS information showed a “Ghost831” registered accounts on the Alphabay (AB), Cloud9, Hydra, SilkRoad (SR), and SilkRoad 2.0 (SR2) markets.

10. The following historical information was found for “Ghost831” on SR:

- a. Registered: October 17, 2012.
- b. Last Seen: September 22, 2013.
- c. Private “sent” messages show “Ghost831” was selling Oxycodone.

- d. “Ghost 831” identified his location as being in Arizona. On May 22, 2013, “Ghost831” posted “...in AZ theres a lot of BS here...”
- e. On June 3, 2013, “Ghost831” identified himself as being 21 years old when he posted, “...I been hustling since I was 15 im 21 on june 3rd...” This would have meant the date of birth for “Ghost831” was June 3, 1992.
- f. User Email: jsquad3@yahoo.com

C. Identification of JACOB MATTHEW MEDINA and DIANE ERIKA MARIN

11. On January 30, 2019, analysts utilized a law enforcement database to search for individuals who were arrested in Arizona with a date of birth of June 3, 1992 and a first initial of “J” based on the email address, jsquad3@yahoo.com, provided by “Ghost831” on SR. The research identified a male individual with the name of JACOB MATTHEW MEDINA (MEDINA). Analysts obtained a booking photo of MEDINA and visually compared the booking photo and his Arizona driver’s license photo with the SSK photos obtained of the male mailer on December 4, 2018. The comparison revealed the mailer to be MEDINA.

12. Further law enforcement research revealed “DIANE ERIKA MARIN” had obtained an order of protection against MEDINA in November 2018. Analysts obtained a copy of DIANE ERIKA MARIN’s (MARIN) Arizona driver’s license photo and visually compared it with the SSK photos obtained of the mailer observed at the Glendale Arrowhead SSK on December 3, 2018. The comparison revealed the mailer to be MARIN.

13. Facebook pages were found for both MEDINA and MARIN. MEDINA's Facebook profile photo was a baby ultrasound picture. His Facebook also showed he followed a page associated with "Paul Nava Brazilian Jiu-Jitsu." In subsequent SSK photos obtained by Postal Inspectors, MEDINA is wearing a "Paul Nava" sweatshirt. MARIN's Facebook page showed photos of her with MEDINA and a young female who appeared to be her daughter.

14. The address of 15429 N. 62nd Dr., Glendale, AZ 85306 (62nd Dr. address) was listed on MEDINA's Arizona driver's license. Research was conducted through the U.S. Postal Service's Change of Address Reporting System (COARS) on the Glendale address, which revealed a Change of Address (COA), effective September 14, 2018, forwarding mail for MEDINA from 1157 W. 21st Ave., Apache Junction, AZ 85210 to the 62nd Dr. address.

15. Analysts obtained an address history report for the 62nd Dr. address and discovered several parcels addressed to "Diane Marin" had been delivered there.

16. A search of MARIN through the Arizona Department of Public Safety (AZDPS) revealed two vehicles were registered to her. The vehicles included a 2012 Ford Mustang with Arizona license plate CAG0779 (Mustang) and a 2001 Oldsmobile with Arizona license plate BCV8228. A search of MEDINA through the AZDPS revealed a 1989 BMW A52 with Arizona license plate CJR1426 (BMW) was registered to him. In February 2019, investigators drove by the 62nd Dr. address on several occasions and observed both the Mustang and the BMW in the driveway.

D. Arkansas Overdose

17. On February 21, 2019, Conway Police Department Officers responded to a house in Conway, Arkansas, regarding a medical assist. Upon arrival, emergency medical services had discontinued CPR on a patient, C.K. (victim), and they were placing him in the ambulance. The police officers attempted to get information from the victim's father, but he was distraught. The victim's brother gave limited information. The officers were later advised the victim had been declared deceased at the hospital.

18. On February 22, 2019, officers were called back to the victim's residence to collect suspected narcotics found by the family. The items collected were white boxes containing glass vials, which contained both liquid and a hard, white powdery substance. On February 28, 2019, the victim's brother responded to the police station to turn in narcotics, which had arrived in the mail. The victim's brother provided 19 blue, round tablets inscribed with "M30" believed to be Oxycodone. The victim's brother said the victim was ordering narcotics on the "Dark Web."

19. The officers contacted Postal Inspectors to get information regarding the shipments to the victim's residence. Utilizing postal databases, it was determined the victim had received Express Mail Parcel Label No. EE436009886US, which was mailed from the SSK at the Glendale Arrowhead Post Office on February 19, 2019. It was delivered to the victim's residence on February 20, 2019. On March 1, 2019, Postal Inspectors in Arkansas obtained the SSK surveillance images for the February 19th mailing and sent the images to the Phoenix Postal Inspectors to attempt to identify the

mailer. Phoenix Postal Inspectors and analysts immediately recognized the female in the SSK images as being MARIN.

E. Surveillance at 15429 N. 62nd Dr., Glendale, AZ 85306

20. On March 2, 2019, Postal Inspectors conducted surveillance at MEDINA and MARIN's residence, the 62nd Dr. address. At approximately 8:37 a.m., Postal Inspectors observed the BMW, Mustang, and Mercedes parked in the driveway of the 62nd Dr. address. At 10:20 a.m., the garage went up and a pregnant female who appeared to be MARIN exited the garage. MARIN grabbed an unknown item from the Mercedes and then the young female and MARIN got inside the Mustang and left the residence at approximately 10:28 a.m.

21. Postal Inspectors followed her and she arrived at the Peoria Main Post Office, located at 8380 Emile Zola Ave., Peoria, AZ 85381, at 10:44 a.m. Postal Inspectors observed and identified MARIN walk into the post office and drop several manila envelopes into the outgoing mail slot. Postal Inspectors responded inside the post office and retrieved a total of 13 parcels (SUBJECT PARCELS A-1 through A-13).

22. Postal Inspectors continued to follow MARIN and after stopping at a Starbucks, she drove to the Glendale Arrowhead Post Office at 11:05 a.m. MARIN exited the Mustang and went inside the post office where she dropped two Express Mail envelopes into the outgoing mail slot. Postal Inspectors went inside the post office and retrieved the two parcels (SUBJECT PARCELS A-23 and A-24).

23. At 11:20 a.m., MARIN arrived at the Sierra Adobe Post Office, located at 1902 W. Union Hills Dr., Phoenix, AZ 85027. MARIN went inside the post office and

dropped off several parcels. Postal Inspectors went inside the post office and retrieved a total of nine parcels (SUBJECT PARCELS A-14 through A-22).

24. Postal Inspectors followed MARIN to a Fry's grocery store, the Dollar Tree, a condominium at 14837 N. 25th Dr. in Phoenix, and then she returned to the 62nd Dr. address at approximately 1:24 p.m.

25. While MARIN was being followed, Postal Inspectors at the 62nd Dr. address observed MEDINA go in and out of the open garage. Postal Inspectors watched MEDINA load several boxes into the Mercedes. It appeared MEDINA was cleaning out the garage.

26. An examination of SUBJECT PARCELS A-1 through A-23 showed the return addresses were all listed as "Thomas Franks, 2980 Grand Ave., Phoenix, AZ 85017." A search of the address in Consolidated Lead Evaluation and Reporting (CLEAR), a law enforcement database, revealed it was an existing, deliverable address, but Thomas Franks did not associate with the address at 2980 Grand Ave., Phoenix, AZ 85017. Further research of the address revealed it to be a business, The Great Alaskan Bush Co., an adult entertainment club.

27. An examination of SUBJECT PARCEL A-24 showed the return address was listed as "Primtron LLC, 2548 N. 7th St., Phoenix, AZ 85006." A search of the address in CLEAR revealed it was an existing, deliverable address, but Primtron LLC did not associate with the address at 2548 N. 7th St., Phoenix, AZ 85006. Further research of the address revealed it to be a business, Bandaid's Showclub, an adult entertainment club.

28. A police canine (K-9) examination was not conducted due to the suspicion that these parcels possibly contain fentanyl.

29. On March 4, 2019, Federal Search Warrant No. 19-8093 was executed on the 24 parcels seized during surveillance on March 2, 2019. A total amount of 93grams of blue pills stamped "M30" were found and seized.

F. Execution of Search Warrant at 15429 N. 62nd Dr., Glendale, AZ 85306

30. On March 4, 2019, federal agents executed a search warrant at MEDINA and MARIN's residence, the 62nd Dr. address. On the top self of the master bedroom closet, agents located the following items: one Ruger .380 pistol, bearing serial number 371569880, two Ruger magazines, .380 ammunition, and a Priority Mail cardboard box. The Priority Mail cardboard boxed contained 46.8 grams of blue pills stamped "A215," which field tested positive for fentanyl, and 523.6 grams of a yellow binder agent. Agents also located pre-paid gift cards in the closet.

31. A search of the master bedroom revealed the following items: 30.8 grams of blue pills stamped "K9," 13.1 grams of blue pills stamped "M30," 0.3 grams of blue pills (not stamped), 49.3 grams of pink pills stamped "K56," which field tested positive for Oxycodone, 34.5 grams of an unknown grey crystallized substance suspected to be MDEA (3,4-Methylenedioxy-N-ethylamphetamine), 55.7 grams of heroin, and \$31,000 of United States currency in a blue banker's bag.

32. Agents also searched the kitchen for items. On the kitchen counter, agents located 29 sealed parcels found to contain a total of 311.9 grams of various packaged blue pills stamped "M30." In the pantry, agents located 190.1grams of blue pills stamped

“M30.” On top of the refrigerator, agents located 446.2 grams of marijuana. Law enforcement seized a total amount of 654.9 grams of blue pills that were stamped “A215” and “M30.”

33. MEDINA and MARIN also had an office in their residence. In the office, agents located a customer mailing list, which included customer information for C.K., the victim from Conway, Arkansas. The customer information for C.K. included Express Mail Tracking Label No. EE436009886US, containing C.K.’s address, and the receipt for that particular mailing label.

34. Agents also searched the garage of the residence and located 647.3 grams (1.4 pounds) of heroin inside a green plastic container. In a separated plastic container, agents located 231.8 grams of unknown powders, several pill press components including several die cuts and stamps, along with booking paperwork in the name of “Jacob Medina.”

35. Based upon the aforementioned facts, your Affiant believes that probable cause exists that, on or between November 30, 2018, and March 4, 2019, JACOB MATTHEW MEDINA and DIANE ERIKA MARIN committed the crime of Conspiracy to Possess with the Intent to Distribute 400 grams or more of a mixture or substance containing a detectable amount of N-Phenyl-N-[1-(2-phenylethyl)-4-piperidinyl] propanamide (fentanyl), a Schedule II controlled substance, and on March 4, 2019, JACOB MATTHEW MEDINA and DIANE ERIKA MARIN committed the crimes of Possession with the Intent to Distribute 400 grams or more of a mixture or substance containing a detectable amount of N-Phenyl-N-[1-(2-phenylethyl)-4-piperidinyl]
