

How to use the Partnership for Safe Medicines Drug Safety tips on your Facebook page.

Patient Safety Tips

1. Buying your prescriptions from an online pharmacy? Check and make sure it is VIPPS-certified before making any purchases. VIPPS stands for Verified Internet Pharmacy Practice Sites, and it is an online pharmacy accreditation service provided by the National Association of Boards of Pharmacy. If an online pharmacy has received VIPPS accreditation, you can be confident that they are in compliance with state and federal regulations, as well as meeting the NABP's criteria for safe online pharmacies.
2. Not sure your online pharmacy is legitimate? Visit Legitscript to check that it is a legitimate pharmacy. Legitscript provides a free online assessment tool for consumers to check the
